Dear Sir:

This is in response to the Office Action mailed June 6, 2005, for which a response is due on July 6, 2005.

Restriction

Restriction was required as follows:

- I. Claims 1-11, drawn to a journal bearing system, classified in class 384, subclass 276.
- II. Claims 12-14, drawn to a method of preparing a lining, classified in class 29, subclass 898.058.

Applicant elects Group I with traverse. Traverse is on the grounds that examination of all the claims would not present an undue burden. Although separately classified, the search classes of the two groups are expected to largely, if not completely, overlap. Accordingly, if the restriction requirement is withdrawn, claims 1-14 will be examined. If not withdrawn, claims 1-11 will be examined.

Ser. No. 10/725,165

Accordingly, Applicant submits that claims 1-14 are in condition for allowance. Please charge any fees or deficiency or credit any overpayment to our Deposit Account of record.

Respectfully submitted,

By
